

We help with all things collaborative, strengths based and community driven

Community insights

- Communities of Practice
- Community researcher projects
- Storytelling for strategy development, evaluations and to drive change
- Community reporters (with our partner organisation People's Voices Media)

Planning and delivery

- Coproduced outcome development
- Coproduced strategy development
- Alliance contracting (with our partner organisation LH Alliances Ltd)
- Market development in collaboration and strengths based approaches
- 100 day challenge and prototype

Training

- Co-production
- Asset Based Community Development
- Community engagement
- Appreciative Inquiry
- Storytelling
- Participatory budgeting
- Performance & quality management

And we can put these all together for
Organisational or whole system culture change
Commissioning for social value and collaboration
