

# Green Recovery, Climate Change and Carbon Reduction Policy Lab

# Why this policy lab?

- Pressing global issue
- 31 of 32 full council members have declared climate emergency
- Gained further attention during the pandemic
- Significant overlap in initiatives
- Cooperative action is essential!

# What will be done?

- Collating climate plans and initiatives
- Workshops to identify examples of strong cooperative action and opportunities to increase it
- Creation of a toolkit and accompanying report
- Publication and promotion ahead of COP26

# Who's involved?

## 11 Full Councils

- Birmingham City Council
- Greater Manchester Combined Authority
- Kirklees Council
- Newcastle City Council
- Oldham Council
- Oxford City Council
- Plymouth City Council
- South Tyneside Council
- Sunderland
- Tameside Council
- Torbay Council

## 3 Affiliate Members

- RedQuadrant
- Social Value Exchange
- Workers Educational Association (WEA)

# Where are we at...

# Next steps...

1. Commission consultancy support
2. Confirm council plans
3. Collate themes and initiatives from plans
4. Plan workshops...

# Thank you...
